Boarding Consent Form

We hope that you will call us your "home away from home."

While your pet is here, he will enjoy Hill's Science Diet foods, three leashed walks a day, nutritious snacks after each walk and watchful eyes to *detect any problems*

1. All boarding pets must be current on vaccinations or receive vaccinations while boarding. For cats, FVCRP and Rabies are required and for dogs, DA2LPPC, Bordetella and Rabies are required.
2. All boarding pets must be free of external parasites such as fleas and ticks. If pets are found to have external parasites, they will be treated with Frontline Topspot at the owner's expense of \$19.00.
3. We do our best to minimize the stress of boarding. Occasionally, some pets develop diarrhea or vomiting due to diet change or stress of separation anxiety and being in a new environment. Some pets require medical treatment which will be at the owner's expense. If you would like to be contacted before any treatment is given please circle: YES
4. If there are a change in plans and must board your pet longer than anticipated, we would greatly appreciate a courtesy call to inform us of these changes.
5. Pet owners are welcome to bring beds, towels, toys and treats. However, we are not responsible for lost, destroyed or soiled items. Also, we reserve the right to place only items we deem safe in the cage with your pet.
6. Boarding charges are applied the day that your pet arrives regardless of the time the time of day. On the departure day, pets picked up before 11 AM are not charged for that day. Rate \$ _____ /day
7. Pets receiving medication or special treatments while boarding will be charged a separate fee for the service. TREATMENT _____ \$ _____ /day
